Learning modules

Module 1

PE Outdoor adventure team challenge and problem-solving

Pupils take on a variety of challenges to develop their confidence, problem-solving and team-working skills.

Challenges include crossing crocodile swamps, building electrified bridges, archery, the spider's web, crossing the minefield, nightlining and orienteering. All activities are fully risk assessed and operate to very high safety standards – we don't use real crocodiles!

The programme is flexible and can be tailored to the needs and abilities of your group. It is designed to deliver the Outdoor and Adventurous Activities section of the National Curriculum in an enjoyable and memorable way. The programmes are suitable or adaptable for a variety of special educational needs and specialised mobility needs.

Useful information

Meals

We are passionate about the meals we produce and that's why all our food is prepared using **fresh, seasonal ingredients, sourced locally** where available, prepared and cooked to order. We offer **flexible meal times** to fit in with your itinerary and with prior notice, we are happy to cater for any special dietary requests.

Financial Support

YHA helps to fund places for disadvantaged children, so they can join their friends or classmates on a residential visit with YHA.

Our short application process makes applying for funding assistance easy. Applications are considered on the basis of the number of children in the group who are entitled to free school meals, or in a family that receives income support and/or housing benefit. Funding is subject to availability.

For more information or to download an application form visit www.yha-breaks4kids.org.uk or call 01629 592 696.
